Re: Precious Ervin, et Zachary Whidbee, et al. (Docket No. 05 Civ. 5260 (RRM) (LB))

Dear Judge Bloom:

The parties in the above were to submit settlement statements to the Court by this date. Because the appropriate officials who authorize settlement-related determinations were out of the office this week (a vacation week for many concerned), I must request that the Court permit defendant's statement on settlement to be submitted Monday, February 22, 2010. Indeed, one of the reasons that an adjournment was sought for the conference was that the personnel necessary for determining whether settlement is appropriate in this case, and if so, for what amount, were not available at this time. We will submit our position on Monday, and hope that the additional time requested does not inconvenience the Court in any way.

Thank you for your consideration.
